Research on linguistic attitudes and uses in Palma

Are you over 18 years old, live in Palma and know Catalan and Spanish?

Complete this questionnaire and **receive 10€** through PayPal or Amazon gift card!

This study aims to better understand the linguistic attitudes that residents of Palma have towards the two official languages of the Balearic Islands, Catalan and Spanish. Your participation consists, simply, in answering a short online questionnaire. You don't need to have any specific knowledge to participate, just your opinion and attitude counts!

By completing the questionnaire, you will receive a **10€** by PayPal or Amazon gift card as a thank you for your collaboration.
